BUDDY NETWORK of PTTC

Coming to Novi Sad for your exchange? Why not have a buddy to make your experience all the better! PTTC Novi Sad has established a Buddy Network of students – local students and volunteers who will help with getting around the city, finding accommodation, applying for residency and registering for classes. A buddy will help you with all administrative work you have to do - going to the police, applying for a visa, showing you the campus, as well as show you a perspective of the city only a local can have. On PTTC, Buddy Network is being implemented through Students Parliament.

BUDDY NETWORK of PTTC was established in order to:

- **efficiently inform the student population about the opportunities and benefits of academic mobility**
- **improve services intended for local and foreign students before, during and after the mobility**
- **develop orientation programs for foreign students upon their arrival to the University**
- **support local students during their application and preparation for mobility**
- **integrate foreign students into the student life and extracurricular activities together with local students**
- **provide a safe and significant stay of students at the PTTC**

We invite you to contact the Buddy Network of PTTC by sending your questions to the following e-mail address: parlament.vsovns@gmail.com

Welcome to Novi Sad, welcome to Preschool Teachers Training College.
